AUTISM WEST DONOR PROGRAM

Join us on an incredible journey

autismWest

Autism West helps improve the lives of families affected by autism. It's an amazing experience and we'd love for you to be part of it.

Because we don't receive any Government funding, we rely solely on community support. By getting an ongoing commitment of support, not only can we continue to deliver our valuable services, but we can also plan for the future. This year we're aiming to raise over **$500,000**.

Thanks to your donation, children and adults will be able to continue to come to our range of social and therapy groups, and families will be able to make the most of our information services, conferences, the autism resource centre and TOBY—our ground-breaking autism therapy app.

Your support will make a huge difference to hundreds of people's lives.
