

## AUTISM WEST TERM 3, 2017 SOCIAL GROUP PROGRAM

We see incredible potential for young people with autism.

Using a strength-based approach, Autism West facilitates [social groups](#) for kids and young adults on the spectrum, between the ages of 10 - 30, across 3 locations in Perth in 2017:

Claremont – Address to be confirmed

Fremantle – Ground Floor, Fremantle Hospital, Corner of South Terrace and Alma Street, Fremantle, 6160

Marangaroo - Marangaroo Family Centre, 46 Highclere Blvd, Marangaroo

Our programs proudly support nearly 100 young individuals on a weekly basis across our various locations, in line with the school term calendar. In addition, we offer a school holiday program, Telethon Holiday Makers, aimed at children and teenagers between the ages of 5 and 18.

We offer a range of age appropriate activities in our social groups that are focused on developing the strengths and interests of the individuals in a safe and supported environment. Active involvement in decision making is encouraged within our groups from all participants and we delight in welcoming their input to expand our programs, develop connections and allow these incredible individuals to flourish.

### Special Interests Programs

In addition to our core programs, we cater to a variety of special interests as determined by our participants. In 2017 we are exploring:

**Coding and Lego Robotics** – Learn through mini challenges using the common languages used in code!

**Digital Media** – Explore digital media (social media and blogging), digital photography and film making with local young film maker Phillip Butland and Autism West Marketing and Blogger / Digital Marketer, Janine Ripper.

**Visual Arts** – Artist in residence, Olivia Colja, returns to inspire and support those with an interest in art and creativity

**Music** – Our collaboration with Pirate88 Radio and Music Rocks continues as we expand our Music Program, exploring music, how to produce a radio program, and becoming a DJ!

### Telethon Holiday Makers Program

Our [Telethon Holiday Makers Program](#) caters to kids and young adults on the spectrum between the ages of 5 -18 years of age, tailoring support to Low, Moderate and High Needs. This is a great introduction into our social groups and our holistic strengths-based approach.

For further information, please refer to [our website](#), or contact a member of the Autism West team on 08 9383 6123 or [enrolments@autismwest.org.au](mailto:enrolments@autismwest.org.au). We look forward to hearing from you!

### ENROLMENT INFORMATION & CONDITIONS

- Enrol Online: <http://autismwest.org.au/social-groups/enrolment/>
- New participants can enrol during term providing there is space in the chosen group
- In the rare event a social group is cancelled, we will contact you as soon as possible to inform you of any changes and refund you the fee for cancelled lessons, or provide you a credit for the following term.

### CODING / SPECIAL INTEREST PROGRAMS

- If enrolled in the full group term program you will not be charged extra to participate in coding or special interests
- If enrolled in coding/special interests only and would like to join the group for an outing, please let the group leader know, an extra fee will incur.

### STEP INTO SOCIAL

If you cannot attend an outing, you may have the option to book in for a session with the alternative group. Contact the group leader to organise this.

### PAYMENT

Once the enrolment process is complete we will issue you with an invoice. There are strictly no refunds for outings or sessions missed.
